DIVISION PRAYER:

Loving Father, you sent your Son into the world to redeem us by his Cross and Resurrection. Send your Spirit upon us today to make us stewards of your gifts and witnesses of your Son, Jesus Christ, in our schools and in our world. We were created in your image and likeness; each of us a precious gift. Through the intercession of our Most Blessed Mother, Mary, the Mother of God, we ask you to protect and guide our students and staff, caring and watching over us at all times.

Come live in our hearts and strengthen us to love and serve you. Let us glorify your name, being kind and generous to everyone we meet. With Christ as our model and our teacher, we celebrate and witness our faith, learning together, working together, and praying together in answering the call to a faith-filled life of service. We pray this through your Son, Our Lord Jesus Christ, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever. Amen.

LUNCH DROP OFF:

We are strongly encouraging families to send lunches with their children **IN THE MORNING**. We have many lunches being dropped off in the morning and it can get very busy having to distribute them.

ALSO, WE ARE ASKING FAMILIES TO NOT ARRANGE FOR SKIP THE DISHES ORDERS TO BE DROPPED OFF AT THE SCHOOL.

Students learn best when they feel their best! If your child is feeling unwell, please keep them home to rest and recover. This helps support a healthy learning environment for everyone. If your child needs to miss school due to illness, please contact our office.

All families should have received notice about their child's school fees. Please visit PowerSchool to pay your school fees as soon as possible. If you need support with this, please do not hesitate to call the office.

COOLER TEMPERATURES:

The weather has shifted to cooler temperatures. We are reminding families about the importance of ensuring that their children are dressed warmly.

Decisions regarding outdoor activities are guided by [**Administrative Procedure 131**](#). The suggested guideline is that students do not go outside if the temperature and wind chill factor are -20° C or colder.

Please remember that recess will be moved indoors only during extreme weather conditions, so students are to come to school dressed appropriately for the outdoors.

BUSPLANNER APP:

For the 2025-26 school year, Transportation Services office will send late bus notifications via the Division website [**BusPlanner Alert**](#) for delays. SNACK, BREAKFAST PROGRAM AND CONCESSION:

*Please ensure that your children have lunch packed each day. Our junior high students often come without lunch, and we are unable to provide lunch for all students that forget theirs. The concession is available for our **junior high students** who can*

purchase it. If your child forgets their lunch, we will be calling you to please drop one off for them. Thank you for your understanding.

PARKING IN THE COMMUNITY:

Again, this year, The City of Edmonton traffic enforcement will be monitoring parking violations and driving in the area. They receive phone calls from community members about unsafe parking and driving. If you have any questions about this, please contact the City of Edmonton at 311.

We are blessed to have an increase in the number of staff at our school. This means that we have fewer parking stalls available.

PARENTS, PLEASE DO NOT PARK IN THE STAFF PARKING LOT. WE ASK THAT YOU USE THE ANGLE PARKING BESIDE THE PARKING LOT.

Thank you for your understanding.

SCHOOL BUS RIDERS:

If your child/children are being picked up on occasion and not going on the bus that day, please ensure that the student lets the staff member at their bus know that they are going to be picked up. This saves us from trying to find the student that is supposed to be on the bus and avoiding bus delays.

Parents, if you could also call the office to let them know that your child/children are being picked up on that day, that would be very much appreciated.

ST. ANDREW CHURCH:

Our school Parish is **St. Andrew**. Please visit their website for Mass times and Parish information. Here's the link for St. Andrew's Parish <https://standrew.caedm.ca/>. St. Joseph High School Open House – February 24

from 6:00 to 8:00 pm

Our event is intended to provide families with as much information about the amazing programs and opportunities that St. Joe's offers. The evening will be led by our students and showcase the legacy of our school.

In our courtyard, there will be numerous post-secondary institutions and career providers, highlighting the connection between high school learning, and the world beyond graduation.

Families will be able to participate in student-led tours of our school or walk through the building on your own. St. Joe's is the only high school in Canada, that offers the programming that we do:

- Traditional Classroom Learning (TCL) – offers a structured, teacher-led environment: students attend five weekly classes focused on curricular outcomes, providing consistent classroom instruction and routine pacing.
- Guided Customized Learning (GCL) - has consistently prepared graduates for post-secondary success, fostering habits of self-regulation and independent learning valued in university and college. GCL offers a well-structured, customizable learning environment. With dedicated advisor support, personalized pacing, and meaningful assessment, students graduate equipped with both academic competence and the self-directed learning habits essential for lifelong success.
- Online Learning - is asynchronous, allowing students to work independently using the Desire 2 Learn (D2L) digital platform and Learning Guides. Teachers are available for assistance through Teams and email.
